

W. L. Douglas 7% Stock

SAFEST INVESTMENT IN AMERICA

Less than \$250,000 of the Issue of \$1,000,000 Preferred 7% Stock of the W. L. Douglas Shoe Co. of Brockton, Mass., Remains for Sale in Lots of One Share or More. If you want Some of this Gilt-edge Stock You Must Act Quickly. Stock Pays 7% Annual Dividends, Payable Semi-Annually.

SHARES ARE FULL PAID AND NON-ASSESSABLE.
Sold at Par (\$100.00) One Hundred Dollars Each

The W. L. Douglas Shoe Co. is a corporation with a capital of \$2,000,000; \$1,000,000 of this common stock, held by Mr. Douglas, is \$100,000 of preferred stock now offered at par, \$100 per share. This stock is full paid and non-assessable, and pays 7% dividends.

Mr. Douglas cannot secure a single dollar of the profits of the great Douglas Shoe Co. until this 7% has been paid to the people who buy this preferred stock. As the business has not yet been started, Mr. Douglas cannot pay to himself a cent of the profits of the company. He is absolutely sure that his 7% dividend will be paid to him, and he is sure that the stock will be sold at par, and that the company will be successful and prosper as this should offer 7% per cent preferred stock to the public. The reason is fully explained in the prospectus, but it is proper to state some of them here.

This business was founded and built up to the proud position of the largest concern of its kind in the world by the genius and untiring efforts of its head. He has now reached a time when he feels that he should sell his affairs in order, although mentally and physically at his best and with the prospect of devoting many more years to the guidance of the affairs of the company. This great business must be perpetuated, must be maintained, must remain in future years as it now is. One man, even a young man, would need much assistance to carry on and enlarge a business like this, and much capital, much energy and the efforts of many people are needed. A corporation never dies. Hence this business has been incorporated.

The present purpose is to get the public to become an interested part of the Douglas Shoe Company, and to assist it in its successful career, not only by their money, but by their help in all possible directions. There is no question about the soundness of this enterprise. It is one of the soundest in the world. There is much more than a dollar in actual assets behind every dollar of this stock, the magnificent plant and the great business of the W. L. Douglas Shoe Company, with its 64 stores in 45 cities—all owned by the company.

This is better than a savings bank. No savings bank could have the security behind it that this company has. The savings bank will pay you 3 to 3½ per cent. This stock pays you 7 per cent. If you do not want to get anything but your interest, the Douglas preferred stock is, on the most

conservative basis, worth \$200 a share to-day instead of \$100, and will cost a daily increase in value.

Send for a prospectus which fully explains all these things. With it will be sent a little folder which describes the great plant of this company, the business which has been done and is now being done, and shows you just what you are putting your money into and just how you are safeguarded in every possible way.

A large proportion of the preferred stock offered was immediately subscribed for, and subscriptions are coming in constantly, many of them being very large sums. It is impossible to say at what time all the stock will be subscribed for and the opportunity gone. The safe way is to fill out the attached coupon, stating how many shares you wish to purchase, in case investigation satisfies you. Upon receipt of this coupon an option certificate will be forwarded to you, entitling you to purchase the number of shares indicated, at any time within thirty days. This entails no obligation on your part, but simply makes certain that you will be able to secure the stock at the price you desire. It gives you an opportunity to read over the prospectus and investigate to your satisfaction.

Address for prospectus and information and send subscriptions and certificate checks to

ALL PASSES CUT OFF.

Clergymen and Objects of Charity Excepted—Treason to Pay.

CHICAGO, March 6.—At the meeting of the passenger heads of all the important railroads west of Chicago and St. Louis, held here to-day, the committee appointed at the meeting yesterday to formulate a policy governing the issuance of transportation in accordance with the Elkins Substantive law, making a report which was adopted by the committee. The report was given to influence traffic. The report was adopted by unanimous vote.

This action will cut off everything except transportation wholly within a State, the law covering interstate traffic only. It will compel the railroads to act in accordance with the law, which has been secured to all Government officials, from members of the Supreme Court down. Hereafter no passes nor reduced rate tickets can be given to officials of such organizations as the G. A. R., D. A. R., Y. M. C. A., Y. W. C. A., and delegates to national political conventions.

Outside of clergymen and objects of charity, no passes or reduced rates are to be given, except as specified in the following report, by the committee, of which John Francis of the Burlington system was chairman:

United States Troops and Militia—As there appears to be no exception made under the law in favor of the full tariff or agreed rates subject to legal deductions and equalized rates via competitive lines should be given. Railroads should be required to give proper officer of regularly organized railroads and only by the request of the business is of a competitive nature.

Labor rates are permissible when legally established and when necessary to the operation of the business.

Excursion rates for employees when traveling with organized special trains in necessary capacity such as conductors, baggage men, mailmen, etc., may be classed and named as railroad employees.

Members of the board of directors of the corporation should be classed with transportation of line employees, subject to the restrictions of the pass agreement.
